

Share Innovative Ideas Transpo 2008

Transpo2008 will be held at the Rosen Centre Hotel in Orlando from September 22 to 28, 2008. The sponsors are bringing together the best and the brightest in intelligent transportation systems, traffic engineering and operations, and transportation planning in the southeastern U.S. for informative technical presentations, lively discussion, training, on-site tours of Orlando area ITS facilities and a state-of-the-art technology exhibition.

The technical program

presentations begin Monday morning and run through Thursday afternoon. The theme of Transpo2008 is "ITS-Piecing It All Together."

The technical tracks are to plan, implement, manage and innovate our ITS in Florida. Session topics and on-site technical tours will be announced soon. For more information on Transpo2008, visit www.itstranspo.org.
