As a member of the Intelligent Transportation Society of Florida (ITSFL), how would you like to do something significant for the transportation industry? Since 2003, ITSFL has annually awarded cash scholarships (up to \$2,500) to enable deserving students to take advantage of the opportunities that can be achieved through education.

The goals of ITSFL Scholarship program are to:

- Provide worthy people with financial need the opportunity to complete Academic requirements; and
- Encourage long-term membership development among college students.
