ITS Florida Exhibit

ITS Florida's exhibit was displayed at the Floridians for Better Transportation (FBT) along with TEAMFL's [FBT/TEAMFL Transportation Summit](#) July 16 & 17 at the [TradeWinds Island Resort](#) on beautiful St. Pete Beach.

FBT/TEAMFL provided ITS Florida with exhibit space at no charge. The location was excellent and provided the opportunity for everyone to see our display.

ITS Florida distributed Transpo2010 and ITS World Congress 2011 information. There is a lot of interest in both of these events.

If you have not updated your logo, please consider this so that we can display the appropriate logos. Don't miss out on this ITS Florida benefit.
