

ITS Florida 2010 Calendar

ITS Florida is pleased to announce the first edition of the ITS Florida calendar! The photos were submitted by the Florida Department of Transportation with the finalist this year being represented by the photos each month.

Congratulations to District Four! District Four was the grand prize winner. The winning photo is on the cover and featured January 2010.

Contact ITS Florida to obtain your copy of the 2010 Calendar. The 2010 Calendar will also be available at exhibit events such as ITS America 2010 in Houston. Calendar supply is limited. Do not wait too long to request your calendar.

This calendar would not have been possible without the generous support of ITS Florida members. The premier sponsors for the calendar are Blackhawk Enterprises Inc. and Global 5 Communications. We also want to thank AECOM, Cambridge Systematics, Daktronics, Delcan, Eng-Wong, Taub & Associates, Fortran, HNTB, Kimley-Horn and Associates, Metric Engineering, Miller Electric Company, PBS&J, RuggedCom, Southwest Research Institute, Temple and VANUS for their support.
